CE Proposal

*MMPH Culminating Experience Academic Year:

Name: Click here to enter text.

Your proposal should be 2-3 pages and address each of the points below:

1. Problem to be studied or hypothesis to be tested, and its relevance to public health
2. Methods to be used
3. Specific role for you (the student)
4. Products to be produced (if any)
5. A schedule for planned student-advisory group interactions.

*Please copy/paste your proposal below:*
